MEMORANDUM FOR:

BRUCE KEHRLI

FROM:

STAN ANDERSON

Attached is a listing of all U. S. Senate races and the telephone numbers at which the Senator/candidate can be reached on election night.

It is obvious from the list that in some instances these numbers are headquarters or places where the candidate isn't likely to be. In this regard, Bill Timmons has agreed to call all the Senators/candidates and use White House influence to get the actual numbers where the candidate can be located.)OK

cc: Bill Timmons

Would you please
get these numbers so that
they can be given to the
Board. Also - we need
the numbers of candidates
in Key Congressional (House)
 Races.
THANKS
B. Kehrl
