Bob Dole, Chairman

Mr. Bud Krogh
The White House
Washington, D. C.

Dear Mr. Krogh:

For more than a year the Republican National Committee has been providing Republican leaders at the state and local level with materials for distribution at registration drives, state fairs, shopping centers and the like.

There are 12 updated issue pamphlets that deal with the President's actions and proposals to address national issues.

We have also published several special interest publications for distribution locally: Lincoln Day '72, Economic Priorities '72, Promise and Performance, There Is a Difference, Quotable Quotes and Facts Election '72.

In addition to these publications, we have begun an ongoing project to provide speech materials to Republican spokesmen and others connected with the re-election of the President. This activity encompasses a series of Talking Papers -- speech inserts on numerous topics -- and a set of reference cards and accompanying brochure detailing highlights of the President's record, Pocket Facts Election '72.

Enclosed are copies of these materials for your information and reference. You will receive all subsequent publications as well as revisions on a continuing basis.

I hope you find this material useful and would be pleased to hear your reaction.

Sincerely,

C. Thomas Wilck
Deputy Chairman for Communications
